 Fertilizer

Test Questions and Answers

Type of questions to expect:

- True or False
- Multiple Choice: Best or Correct Answer
- Sentence Completion: "Fill in the blank"

25

Example 1: True or False

There can only be **one** correct answer.

Testing strategy:

- Assume statements are true unless you know they are false.
- If any part of a statement is false, then the whole statement is false.

1. Rain falls to the earth as water.
 True
 False

26

Example 2: Multiple Choice

Choose the **one best answer**.

Testing strategies:

- Cover possible answers, read the question, and try to answer.
- Select the option that most closely matches your answer.
- Give each option a "true-false test."

2. Rain is a form of what substance?
 A Soil
 B Water
 C Air
 D Cloud

27

Example 3: Sentence Completion

Pick **one** word or phrase that best completes the statement.

Testing Strategy:

- Give each option a "true-false test".
- If any part of a statement is false, then the whole statement is false.

3. Rain falls from the sky in the form of _____.

- A Ice
- B Fog
- C Liquid
- D Steam

28

Final Reminder

Please remember to answer all 40 test questions.

All unanswered questions will be marked incorrectly.
