

GI-BMP Instructor Update Meeting Agenda

Date: Thursday, June 26th, 2025

Time: 10:00 AM

Location: Zoom

Agenda

1. Welcome and Introductions

- Introduction of Melise Huggins to the statewide team

2. FDACS CEU Website Update

- Instructors must create a new provider account on the FDACS website
- The FFL State Office will add you as a co-provider
- Once added, you can post trainings and generate CEU certificates for participants

3. GI-BMP Planning Session (Postponed)

- Session was postponed due to low attendance
- Please submit your feedback to help shape future planning efforts
- *Contact your Regional Coordinator for the feedback link if needed*

4. New Initiatives

- FFL Pledge question coming soon to GI-BMP training evaluation surveys
- Green Stormwater Infrastructure (GSI) Training
- Florida Water & Ponds Training
- Fertilizer CEU Course

5. FFLCP Training Interest – Agents Needed

- FFLCP requires completion of 6 modules to certify
- GI-BMP instructors only need 3 of those modules
- FNGLA instructor only need 2 of those modules
- Florida water star only needs 2 of those modules
- *Contact your Regional Coordinator if interested in participating*

6. Reminders

- New GI-BMP PowerPoint modules are now available
- **Create your CEU provider account ASAP** and notify Tom and Marc to be added as a co-provider
- English-language classes: Stickers for page 45 will be mailed
 - *Contact the state office if you do not receive them with class materials*

- Required copies of class materials include:
 - Transmittals
 - Training Records
 - Post-Tests
