

GI-BMP Instructor Update – September 8, 2014

Subject: GI-BMP update: New materials, CEU changes, and Creole training

NEW version of Pesticide module – English and Spanish

- The Pesticide Module (module 6) has been revised to include new content regarding the “SDS”, the Globally Harmonized System for hazardous communication, and signal words (slides 28-31). *Please download and begin using the new PowerPoint and speaker’s notes immediately.*

NEW CEU Program number for Spanish is now DIFFERENT from English number

- **Spanish: #18068 - expires 8/1/2015 (new number)**
- English #16630 - expires 12/31/2014
- Creole – Pending
- *TIP: Current FDACS CEU program numbers are always available on the [Instructor Resources website](#).*

NEW Haitian Creole translation of GI-BMP training now available

- Training materials and forms for in-person training in Haitian Creole are available for download
- DVD release is pending; planned for 4th quarter 2014

Module Handouts reformatted for better printing

- The handout pdf file (module slides 3 per page) has been reformatted for better black-and-white printing. New handout files for all modules, all languages are now available.

Where to download materials: Instructor Resources Website

- All GI-BMP materials are available for download from the GI-BMP Instructor Resources website: http://ffl.ifas.ufl.edu/gibmp_instructor.html
- *TIP: The download page shows the “last updated” date for each item. Please be sure you are using the most recent version of the training materials and administrative forms!*
