

## GI-BMP Instructor Update – June 17, 2016

### Subject: 2017 Regional Turf Seminars

---

The GI-BMP State Office wants to make you aware of a great opportunity for professional development (and CEUs). In place of the annual Spring GI-BMP IST on campus next year, we encourage you to participate in the upcoming Florida Turfgrass Association (FTGA) educational seminars. FTGA is hosting a series of seminars across Florida where experts, including IFAS Extension Specialists and Agents, will provide local educational programs on topics such as pests and diseases, weeds, BMPs, regulatory issues, safety and pesticide usage.

The list of seminar dates and locations is below. Details and registration information can be found at: [https://c.ymcdn.com/sites/www.ftga.org/resource/resmgr/turf\\_seminars/2017\\_Turf\\_Seminar\\_Brochure.pdf](https://c.ymcdn.com/sites/www.ftga.org/resource/resmgr/turf_seminars/2017_Turf_Seminar_Brochure.pdf)
